

GasNeutral certificate

ENGIE confirms the delivery of GasNeutral to:

CIREX B.V.

Congratulations on receiving your official GasNeutral certificate from ENGIE. You have made a good and conscious choice by offsetting your gas. We are proud that together we are now taking the step towards a CO₂-neutral world.

With gasNeutral VCS your CO₂ emissions are compensated by investing in Verified Emission Reduction units (VER's). This helps you to neutralise the harmful effects of your gas consumption.

Delivery period:

1-1-2022 to 12-31-2026

Consumption:

 958000 M^3

Zwolle 1-12-2022
